

GREAT IDEA.....

*LET'S KEEP THE
AMPHIBIANS ALIVE!*

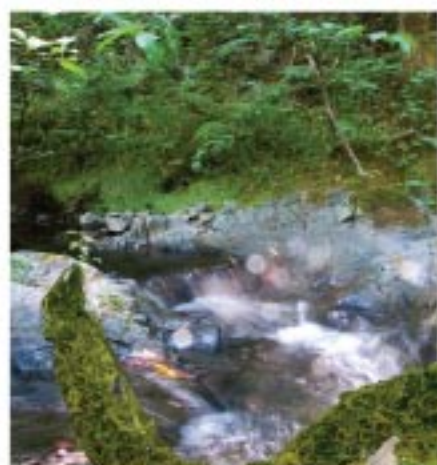

BIO EARTH

Amphibian Substrate & Water Conditioner

IDEAL FOR TADPOLES

TRAPS HEAVY METALS & HARMFUL CHEMICALS

ANTI-BACTERIAL

LUSH & GREEN

**Nature for
your Terrarium**

CLIMBING VINE

Real moss covered "vine" can be twisted, formed into any shape and made as long as you want to create multi levels in the cage.

WATERDRIP VINE

Moldable vine, complete with laser drip tubing to provide a dripping water source and a place to climb.

TERRARIUM FLORA

Live mosses, securely packaged, to create natural scenic dioramas in each and every cage and terrarium.
